USDA RURAL DEVELOPMENT TO HOLD OFFICE DAY IN HALE COUNTY

PLAINVIEW, TEXAS, June 22, 2005 – Representatives of USDA Rural Development will be holding an Office Day for residents of Hale County on Thursday, July 21, 2005, to provide information, assist with applications, and answer questions regarding the housing, community and business programs offered by the agency. The event will be held at the Hale County Courthouse, Commissioner's Courtroom, 500 Broadway, Plainview, Texas, from 10:00 a.m. until noon.

Housing Programs that are offered by USDA Rural Development include the Guaranteed Housing Loan Program, Direct Housing Loan Program, Home Repair and Rehabilitation Grant Program, and the Self-Help Housing and Technical Assistance Program. Assistance is available to very low, low, and moderate income families that live in rural areas, such as Hale County.

USDA Rural Development's Community Programs are designed to enhance the growth and economic opportunities of rural areas by providing the means for construction, expansion, or enhancement of community facilities, telecommunication and distance education programs, and water and waste disposal systems. Since 2001, USDA Rural Development's Community Programs have awarded \$868 million for these purposes, and touched the lives of more than 840,000 rural residents in the process.

Entrepreneurship plays a vital role in the economic stability of rural Texas. With USDA Rural Development's Business and Cooperative Programs, rural businesses can gain access funds that normally would not be available to them. With the help of the Business and Industry Guaranteed Loan Program, Rural Business Enterprise Grant Program, Rural Business Opportunity Grant Program, and the Cooperative Development Grant and Technical Assistance Program, businesses and cooperatives in rural areas can increase the economic opportunities in rural areas throughout Texas.

USDA Rural Development strives to see that rural citizens can participate fully in the global economy by providing technical assistance, funding, and other programs that help rural Americans build strong economies to improve their quality of life.
